Speaker

Dr. Anne-Claire Duchaussoy is an Internal Medicine Specialist with a diverse international background. She graduated with a DVM from the National Veterinary School of Alfort in Paris, France, and completed an internship there before earning advanced certificates in internal medicine and cardiology. Her journey took her to Melbourne, where she completed a residency in internal medicine and received her Diploma from the American College of Veterinary Internal Medicine in 2015. Having worked in both university and private practice settings in Melbourne, as well as a multidisciplinary hospital in Singapore, Dr. Duchaussoy now serves as one of the directors at Beecroft Animal Specialist and Emergency Hospital in Singapore.
